# So what's it all about?

THE rapid inch loss CLINIC

Our non-surgical Ultrasonic Liposuction makes losing inches from areas of your body such as your belly, hips, arms, legs and back easy! Those stubborn fatty areas of your body you would like to change will become flatter and firmer, in as few as 12 sessions of completely painless Ultrasonic Liposuction. You will be massaged, twice a week with ultrasound by our qualified, experienced consultants, ensuring you are looking and feeling fabulous!

We use Ultrasound technology similar to the kind used to carry out baby scans in hospitals, we even use the same gel. During the painless therapy all you will feel is a nice, warm sensation. This warm sensation is the fat turning to liquid and beginning to drain from your body.

As the Ultrasound passes through the fat cells inside your body it causes them to vibrate against each other, this causes the fat inside to change from a semi-solid state and to become a liquid. Once liquefied, the fat will begin to drain from the cell. The fat then passes through the lymph node system and exits the body through the digestive system in the normal manner. The fat will continue to drain from the body for the next 72 hours. To maximise lymph drainage and achieve the best results we recommend increasing activity levels to increase blood circulation.

Your consultant will chart your success and let you know exactly how many inches you have lost since your last session by measuring your target area before each treatment. We expect clients will need somewhere between 8 – 12 sessions per area to achieve their goals. You should allow 30 minutes per appointment and 3 days should be allowed between treatments.

# Mums want change in hospital services

BY ANNA MAUREMOOTOO

anna.mauremootoo@mk-news.co.uk

**THREE mothers whose children died at Milton Keynes Hospital are calling for change to help prevent future tragedies.**

Odette Mould, aged 34, Kirstin McIntosh, 42, and Hannah Aucock, 21, all had children who died under the care of the hospital. During inquests into the deaths the coroners' verdicts included references to failings in medical care.

Now the mothers want to work with the hospital to make sure 'fundamental issues' are addressed.

Odette Mould, whose son Harry died aged five, in 2009, after being admitted to the hospital with breathing difficulties, said: "We want to work continuously with the hospital to make sure the key issues we have are addressed. I don't know what steps are in place to measure progress but there are obviously still some fundamental issues because each year a child has died."

Hannah Aucock, whose son Calvin Prentice-Aucock died aged 13 months in 2010, following a cardiac arrest, added: "In Calvin's case one of the doctors said following a procedure wouldn't have made much difference. But it's there for a reason and if it's followed hopefully it will lead to the child getting better. But if you don't follow them and staff don't know how to use them, then there's no point in them being there."

One of the key changes they want to see is better communication between staff and parents and they hope that if their work with the hospital is successful it can act as a national blueprint.

Call for action: Grieving mothers, from left, Hannah Aucock mother of Calvin, Odette Mould, mother of Harry and Kirstin McIntosh, mother of Mia, are intending to work with Milton Keynes Hospital to improve services in the future

Kirstin McIntosh, mother to Mia Elcock who died in 2011 after a cardiac arrest, aged 13 months, said: "For all of us during the inquest process it was very hard to communicate with the hospital about their investigations, what was going on, what was improving. When you're grieving that just adds to the stress, so that's one of the things that we really want to improve.

"This is a chance for Milton Keynes to lead the country in doing something that really needs to be done and there are ways to potentially roll it out to other places."

In the last week the hospital has contacted the mothers to arrange a meeting.

Martin Wetherill, Medical Director, said: "I have invited the parents of Mia Elcock, Calvin Prentice-Aucock and Harry Mould to come in and meet us so that we can listen to their concerns and talk to them about the improvements we have made and continue to make to our children's services."

## Have your say in PCC elections

**TOMORROW, for the first time ever, residents in Milton Keynes will elect a police and crime commissioner (PCC) responsible for the Thames Valley.**

**But despite the huge influence the PCCs will have, there is little interest in the election and according to the final count of an exclusive MK NEWS online poll, 69.5 per cent of readers will not vote. Voter turnout nationally is expected to be as low as 18.5 per cent.**

**Last night there were appeals for people to cast their votes in tomorrow's election.**

**Iain Stewart, MP for Milton Keynes North, said: "This election offers residents a real opportunity to have a say in policing priorities for their area. I would encourage people to turn out to vote so that they can elect a commissioner who will promote those priorities that they consider important."**

**Labour's Parliamentary spokesperson in Milton Keynes, Andrew Pakes, added: "I would urge people to use these elections to send a clear message to the Government that we do not want to see a cut in police numbers. Thursday is our opportunity to have our say on crime and policing issues."**

**PCCs will replace police authorities currently in charge of 41 forces in England and Wales, including Thames Valley which covers Milton Keynes.**

**They will be responsible for setting priorities for their police force, overseeing its budget and hiring the chief constable. The election in the Thames Valley will be run by a police force area Returning Officer Andrew Grant, Chief Executive of Aylesbury Vale District Council.**

**Last respects: Mourners at the funeral of Edna Read which took place at the Church of Christ the Cornerstone**

# Funeral of arts patron Edna Read

**MOURNERS packed The Church of Christ the Cornerstone for the funeral of arts patron Edna Read.**

More than 200 people gathered yesterday to pay their final respects to Ms Read, 86, who died in a car crash last month.

The hugely popular artist was a founding member of the Public Arts Trust in Milton Keynes.

Reverend Ernesto Lozada-Uzuriaga gave the opening remarks and he said: "Edna's life was like a Mexican painting mural with different colours. The painting is now finished."

Ms Read's godson, Mark Penfold, also spoke.

He said: "I think Edna would be amazed, deeply humbled and moved by people's response to her death.

"My parents were good friends of Edna. She always cut a glamorous and glorious figure. She left a lasting impression on me."

# Probe launched after death at builders yard

**BY ANNA MAUREMOOTOO**
anna.mauremootoo@mk-news.co.uk

**A CUSTOMER at a builders yard died in a tragic accident after being involved in a collision with a lorry.**

Mark Pointer, 44, of Leighton Buzzard, died on Friday morning following an incident at the Travis Perkins builders merchant yard in Deans Road, Old Wolverton.

Police were called to the scene at 7.55am and concluded their investigations on the same day.

A police spokesman said: "A man has died following a collision with a lorry on the premises.

"It is not believed any further action is required by Thames Valley Police and investigations will now be led by the coroner's office and the Health and Safety Executive."

An inquest into Mr Pointer's death opened yesterday morning and was adjourned to allow further investigation by the coroner's office and Milton Keynes Council.

It will reopen on April 19 during which full details of the incident are expected to emerge.

A spokeswoman for Travis Perkins said: "Travis Perkins would like to take this opportunity to extend our very sincere condolences to the family of Mr Pointer.

"We are working with the appropriate agencies as they conduct their inquiries into this tragic incident."

The council have confirmed that they are investigating an incident at the Travis Perkins yard but were unable to comment further.

Leaving a tribute on the MK News website, Sue Spinker said: "I was so shocked when I read this story, what a horrible accident.

"I'm so sorry for Mark's family, my thoughts are with them all. Stay strong."

At around 9pm on Saturday two 13-year-old boys were walking along Windsor Street in Wolverton, when they were approached by a man.

He asked them to empty their pockets and snatched the mobile phone which was in the hand of one of the boys. The other victim said he did not have anything so the man told them to run.

Anyone with information should call 101.

On a roll: Jerry McGrath is bringing roller-skating back to Wolverton Agora after more than 20 years

# Get your skates on for roller fun!

BY CARL MUNGAZI
editor@mk-news.co.uk

**ROLLER-SKATING is making a return to the Agora shopping centre in Wolverton – after a gap of more than 20 years.**

Jerry's Roller Skating, which is run by speed skater Jerry McGrath, will be rolling its wheels again on November 23 following successful negotiations with the existing landlord.

Mr McGrath originally left the venue in 1989 after new management had taken over the centre.

He had run the highly popular roller disco nights for five years.

Since then, Mr McGrath, who is based in Wolverhampton, has been running a mobile roller-skating rink around the UK.

He says he never gave up on the possibility of returning to Wolverton though.

He said: "I started my skating rink in 1985 and I ran it for five years but we stopped when the venue was taken over.

"We have always tried to get the roller rink going again. But over the years landlords have not really been interested.

"In the last 20 years I have tried at least ten times to get the rink running again. Luckily, the current owners are interested.

"We have lots of venues in other parts of the country where we do roller rinks but what makes Milton Keynes special is that the building was designed specifically as a roller-skating rink.

"The other venues we use are leisure centres but this was built specifically for the purpose.

"A lot of our interest has come from social networks and the nostalgic aspect has helped push it. Everybody remembers the Agora, it has got such a good reputation."

Mr McGrath will be starting his roller rink in partnership with his best friend Keith Brown, who was a regular at the rink in the 1980s.

The duo say they have had to employ a temporary admin assistant to help deal with the correspondence they have been receiving over the event.

### Hit and run

A PEDESTRIAN was hit by a car which failed to stop after the incident. The collision happened in Millers Way at Stacey Bushes, last Wednesday and police were called at 6.35pm. The pedestrian, an 18-year-old woman, suffered only minor injuries and did not require hospital treatment. Anyone with information call 101.

### Xmas lights

STONY Stratford will be holding its annual Christmas fun day on December 1. From 10am there will be rides in the High Street for younger children and an afternoon of music kicks off at 1pm. At 4.15pm a parade of lanterns will leave York House and travel down London Road, the High Street and into the Market Square accompanied by music. Stantonbury Pantomime will also be performing and the Bard of Stony Stratford will be officially switching on the lights at 5pm.

# Thieves take jewellery and laptop from home

**THIEVES broke into a home by forcing open a kitchen window and stole a number of valuable items.**

The burglary happened at a house in Osbourne Street, Wolverton some time between Monday, October 22 and Wednesday, November 7.

A Nintendo Wii and Wii fit pad, a laptop, Apple Mac TV connector, jewellery, tennis equipment and £30 cash were taken.

PC Simon Manwaring said: "I would like to hear from anyone who noticed suspicious activity, or if you know someone who has acquired such items."

Anyone with information about the crime should call 101.

# MK student applications fall

**ALMOST one thousand fewer students from Milton Keynes applied for university places this year, according to official House of Commons Library figures.**

Last year 10,700 Milton Keynes students made university applications by the June 30 deadline. But in 2012 that figure has fallen to 9,732 – a drop of 968 students.

Andrew Pakes, the Labour Parliamentary spokesperson, has blamed the fall on the increase in tuition fees.

He said: "These figures suggest that students in Milton Keynes are being put off university by the Tory-led Government's decision to triple student fees to £9,000 a year."

## Please don't build any more city roads in MK

SIR – I'm in complete agreement with Councillor John Hawthorn (MK NEWS, October 31), as with thousands of other MK residents, we do not want any more city roads built in Milton Keynes. Not even one.

It wasn't that many years ago when MK was one, if not the most forward looking town in England. It has changed a lot in the last few years, now taking me back to what we put up with 75 years ago – main roads, houses built facing each other, traffic lights every 100 yards and a serious lack of greenery.

In 1967 an attempt was made to change all this. After a few 'start up' mistakes our town of Milton Keynes was born and moving to MK was like a breath of fresh air – now made stale by unelected people who have no 'feeling' for our town. We owe it to our children not to go backwards.

**Mike Meaden**
**Two Mile Ash**

## Rapid transit system is part of the future

SIR – Although I live in Northampton, I work in Milton Keynes, and have become fond of your beautifully modern central plan and how easily accessible the city is.

This could have only been invented by architects who were avant-garde and forward thinking.

As an aspiring architect myself, I think Midsummer Boulevard, the main axis between the train station and Campbell Park, is fundamental to the city centre's future. For visitors who arrive at the train station and make their way towards the centre, this entrance point is a significant welcoming.

But wouldn't it be an uplifting and exciting experience to have an elevated view over the city on arrival?

I have come across plans for an Ultra Personal Rapid Transit system running along Midsummer Boulevard through Midsummer Place at first floor level and on to Campbell Park.

This is the sort of idea that could re-invent MK and keep it avant-garde in the UK. However the new planning application to build retail units over the boulevard at Midsummer Place, closing up this vital route, would be disrespectful to the people who live and work in MK, and the people who pioneered it when it was just a vast empty space. It is a step backwards when we should be planning to attract and sustain visitors to MK in the years ahead.

I hope this letter can be published in your paper in the near future to encourage other young people to get involved in local debate.

**Danny Harris**
**Sent by e-mail**

## Low election turnout will not be a surprise

SIR – It is not surprising that there may well be a low turnout for the election of police and crime commissioners – I at least have received no information about them, but have received a voting card as a postal vote.

So at least I know the names of the contestants. I tried to find information on the candidates on the internet but was unsuccessful. The internet information on PCC stated that everyone should receive a booklet in October about the election – it certainly didn't reach me.

So what are we supposed to do? Candidates are listed according to their political party or as independents – but that tells me nothing except that the position is already politicised – something I don't want in the police service. Nor did we have a choice in whether or not there should be elected commissioners.

As the commissioners are an important new layer of bureaucracy for which the taxpayer will be paying rather a lot, the Government should have been much more involved in providing information.

How can I possibly vote for a name on a voting card, knowing nothing about any candidate, their competence or knowledge about policing?

This election is meaningless – and Mark Lancaster's expressed concern over a low turn-out would seem to match that conclusion.

**Wendy Williams**
**Bletchley**

## Road to recovery? Not for the unemployed

SIR – I do wonder what prompted the headline 'City leads the way on the road to recovery' from Councillor David Hopkins, (MK News, November 7).

If this is such, why do I look out upon acres of empty AFU's (Advanced Factory Units), and blocks of empty offices also all over Milton Keynes?

I think Mr Hopkins should pay a visit to the local Job Centre Plus, before predicting all is well in the lush, green streets of Milton Keynes. He fails to pick up that MK is a B&B for London and other commuting workers, wishing to escape the grime.

As an unemployed citizen, such folly is distorting the real picture.

**D Morgan**
**Giffard Park**

## Something is wrong with the PCC election

SIR – We've received postal ballot papers but no literature to indicate the policies of candidates in the crime commissioner elections.

Something's seriously wrong with this so-called election.

Festive plans underway: Students at MK College get ready for the Festival of Christmas at Bletchley Park

# Pupils ready for festive fun

STUDENTS from MK College popped next door to the home of the code-breakers yesterday to prepare for the Festival of Christmas.

During the two day event at Bletchley Park, students will demonstrate their skills from cooking to manicures, and visitors can watch, sample or even join in as they showcase their skills in The MK College Mansion Take Over.

Following last year's success, organisers are hoping the event will be another Christmas cracker.

Gennaro Contaldo, West Bletchley's Culture and Events Co-ordinator, said: "We are all very excited. Talented people combined to crack the codes during the war at this historic venue and again we will be showcasing fantastic talents at the same location, this time for a great festive event."

The festival takes place on December 8 and 9, from 10am-4pm each day and the Christmas Market will have more than 40 stalls.

# Drugs bust lands man behind bars

BY ANNA MAUREMOOTOO
anna.mauremootoo@mk-news.co.uk

A MAN who was part of a gang involved in a multi-million pound scheme to import the drug cutting agent benzocaine into the UK has been jailed for seven years.

Clifford Hall, aged 31, of Whaddon Way, Bletchley was found guilty of assisting in the supply of class A drugs, possession of a class B with intent to supply, possession of a class C drug with intent to supply and possession of a class C drug, following a trial at Preston Crown Court. He was sentenced at the same court on Friday.

Hall was importing large amounts of benzocaine into the country from China, with the packages being delivered to Burnley and Derbyshire. The packages were then transported back down to Milton Keynes.

It has been estimated that the adulterated powder could have eventually had a street value of more than £48million.

Thames Valley Police assisted Lancashire Constabulary's Serious and Organised Crime Unit, who launched Operation Bramble to tackle the gang.

Searches were carried out in March and September 2011, with police officers finding various drugs at Hall's home.

Det Supt Barry Halliday, Area Commander for Milton Keynes, said: "I welcome the custodial sentence given to Clifford Hall, who was part of a sophisticated gang involved in the importation of the cutting agent benzocaine into the UK.

"It is a well-known fact that drugs cause untold misery and ruin lives. My message is that if you are involved in drug dealing at any stage of the chain, even if you try and distance yourself from the actual sale, you will be treated as a main offender and dealt with by the courts."

## Driver arrested after M1 pile-up

**POLICE have bailed a 43-year-old lorry driver who was arrested on suspicion of dangerous driving after a crash involving seven cars on the M1 last week.**

The man was arrested after the pile-up which happened last Friday morning near Milton Keynes. He has now been bailed until November 30.

A 55-years-old man from Bedfordshire is still in a critical condition after being taken to a hospital in Cambridge following the crash. Six other people, all women, suffered minor injuries and required treatment at Milton Keynes General Hospital.

Anyone with information about the crash should call 101.

## Talks over ash tree disease

**PARKS Trust officials will hold discussions with Milton Keynes Council about the ash dieback crisis which is threatening trees all over the country.**

So far no cases of the disease – caused by a fungus called Chalara fraxinea – have been reported in the city.

However, landscape officers from the Trust are continuing to inspect trees in the area.

The charity will meet with the council on November 21 before also meeting the Forestry Commission on November 27.

# Joseph doing well in the US

A LITTLE boy who is receiving cancer treatment in America is looking forward to returning home for Christmas.

As reported by MK NEWS, eight-year-old Joseph Piggott, who goes to Monkston Primary School, was diagnosed with cancer just a month after designing a toy to raise money for the disease.

Joseph flew out to the US for special treatment at the end of September with his mum Zoe. Now he is more than halfway through his course of proton therapy, which is currently not available in the UK.

Ms Piggott, from Monkston, said: "Joe is doing really well, taking everything in his stride.

"The Proton therapy is going to plan and doctors are very happy with his progress.

"Oklahoma has welcomed us both with open arms and the people here couldn't be more friendly or generous. We are due home at the beginning of December and very much look forward to Christmas with family and friends in Milton Keynes."

Throughout his treatment Joseph and his mum have been supported by charity Clic Sargent. Milton Keynes' comedy club, The Comedy Cow, hosted a night in aid of the charity and raised more than £3,000.

Ms Piggott added: "The money raised was amazing, I'm so pleased the night was such a big success, I've heard great feedback."

# Beanhill is worst place says report

**BY ANNA MAUREMOOTOO**

anna.mauremootoo@mk-news.co.uk

**BEANHILL has crept back to number one spot as the worst place to live in Milton Keynes.**

The estate was ranked as the worst place to live in 2010 but was overtaken last year by Netherfield on Milton Keynes Council's annual 'Social Atlas' report.

The atlas is produced by the council's MK Observatory and gathers data on a huge number of 'social indicators' including benefit uptake and health factors.

The report then ranks all 113 areas of the borough from 'worst off' to the best, which, according to the report, provides a focus for resources over the next year.

Joyce Hall, who lives in Beanhill and sits on Woughton Community Council, said: "There is a lot of exaggeration, I've never had any problems and I've lived in Beanhill for 13 years.

"People who live in Beanhill don't have a lot of money but they're not nasty people and sometimes it makes me really angry that the area gets a bad reputation."

Contributing factors include nearly 60 per cent of dwellings on the estate claiming housing and council tax benefit and 36 per cent of pupils were also receiving free school meals in March 2012.

Loughton Lodge, meanwhile, took the coveted spot in the chart as the best place to live, scoring zero in factors such as violence against a person and neighbour complaints.

Don Hoyle, Loughton Park councillor, said: "It really is a lovely place. The people are nice, the scenery is nice, it's a wonderful atmosphere and friendly."

In England, the Milton Keynes district ranks 211 out of 326, with one being the most deprived.

**A MAN has been charged with perverting the course of justice in connection with the murder of hairdresser Amelia Arnold.**

Joseph Potter, 41, of Sycamore Avenue, Milton Keynes, appeared on Monday at Hatfield Magistrates Court where he was also charged with obstructing a coroner and removing evidence from a murder crime scene.

Mr Potter was arrested by Hertfordshire Police on Saturday and is due to appear at Cambridge Crown Court on November 19.

A 22-year-old Stevenage man has been charged with murder after the discovery of the body of 19-year-old Amelia in woods at Hatfield, Hertfordshire.

## MP and Mayor join campaign

**VOLUNTEERS will be spending a night on the street as part of a fuel poverty awareness campaign.**

The Mayor of Milton Keynes, Councillor Catriona Morris and Mark Lancaster MP will be among those sleeping outside Acorn House on Friday to raise funds for the initiative being run by MK Community Foundation.

Mr Lancaster said he was 'delighted' to be able to highlight 'the plight of the elderly and vulnerable in the City during the cold winter months.'

# Pushy Salesmen? Not With Cloudy2Clear!

**Cloudy2Clear Windows, the Milton Keynes based window repair company, are revolutionising how homeowners view double glazing in our area. The company which specialises in repairing windows which are steamed up, broken or damaged by replacing the panes – not the frames has grown rapidly as customers take advantage of their services.**

Managing Director Billy Harley, is convinced that much of his success is down to the fact that he employs tradesmen, not salesmen. 'If you think about it, who wants to deal with the dreaded double glazing salesman? The thought of going through the whole tedious process of haggling with someone who arrives at 7 at night and then camps themselves in your house until midnight is not one most people find attractive. A lot of our customers are elderly and can feel very pressurised by sales tactics. We set out from day one to be very different.'

Billy makes very sure his customers are looked after right from the first time Cloudy2Clear arrive at the house. 'All our staff arrive in uniforms so the customer knows who they are and I insist that they wear plastic overshoes to protect the customers carpets. We then measure the windows that have a problem and price the job up there and then, which usually takes around 15 minutes. If the customer wants the job doing we'll arrange installation but if they want to call us back later that's fine. What I don't want to hear from any of my customers is that they felt pushed into anything. It's just not our style.

We're trying to give the glazing industry a reputable face and the evidence of my order book tells me my customers like our approach.'

**So, if your windows are steamed up, broken or damaged give Billy a call for a free quotation on 0800 61 21 118 and he'll be more than happy to help!**

# Vote now for MK Dons' star player

BY DAN PALMER
dan.palmer@mk-news.co.uk

**DONS fans are being given the chance to vote for their players of the month – and each time one lucky supporter will win a top prize for simply clicking a mouse.**

MK NEWS has linked up with the city's football club to help honour the best performers in Karl Robinson's squad.

Every month, an online poll will be held to determine a winner, with every member of the promotion-chasing squad eligible for your vote.

One voter will then be picked at random to receive two Club Red tickets to the first home game of the following month, and they will get to present the winning player with a bottle of champagne before kick-off.

It's free to enter and each month's vote will be collated and weighted towards MK Dons' official Player of the Year vote at the end of the season.

MK NEWS sports reporter Dan Palmer said: "This is a win-win situation because as well as rewarding good performances on the pitch and showing appreciation for the players, fans are also putting themselves in the running for an excellent prize.

"There's no reason not to vote."

MK Dons Media Relations Manager, Simone Corgan, added: "We are delighted to be linking up with MK NEWS to offer supporters the opportunity to vote for their outstanding performer of the month.

"In years gone by the first chance for fans to have their say on players came at the official Player of the Year Awards, but now the Dons faithful can reward their star players while putting themselves in the hat for a great prize."

To register your vote visit www.mk-news.co.uk.

# Garden tribute to city father Roche

BY ANNA MAUREMOOTOO
anna.mauremootoo@mk-news.co.uk

**TWENTY years after the death of one of Milton Keynes' founding fathers, a garden in the city has been named in his honour.**

City Gardens, behind Christ the Cornerstone Church, has been officially re-opened as Fred Roche Gardens by the Mayor of Milton Keynes, Councillor Catriona Morris.

The special ceremony took place on Friday, which also marked the 20th anniversary of Mr Roche's death.

Mr Roche was made general manager of the MK Development Corporation in 1970 at the age of 39 and was responsible for developing much of Central Milton Keynes.

His daughters unveiled a plaque dedicated to him during the small private ceremony at the gardens.

Eldest daughter Louise Roche said: "The one thing I remember about dad is that if he wanted something to be done he just did it.

"I hope this garden can become something remarkable so that people can come here and be inspired."

Honoured: Dignitaries and Fred Roche's family next to the new plaque

Earlier in the year there was a suggestion that Station Square could be renamed Fred Roche Square.

His widow, Val Roche, said: "The 20th anniversary has been really inspiring, people have realised that something really has to be done.

"After the renaming of Station Square was discussed the council finally got behind doing something in Fred's honour, some even admitted that they hadn't realised who he was beforehand."

Repair work was carried out on the garden to get it ready for the ceremony and there are plans for more rejuvenation in the future.

Mrs Roche added: "I think if the garden is going to reflect Fred there needs to be something more exciting here but that's part of the on-going project."

The garden is a result of campaigning by the Fred Roche Foundation who have been battling for a fitting memorial for Mr Roche for several years.

MILTON KEYNES COUNCIL

# Jobs top of agenda for youths

BY ANNA MAUREMOOTOO
anna.mauremootoo@mk-news.co.uk

YOUNG people in the city are hoping that a new Milton Keynes Youth Cabinet (MKCAB) can help tackle unemployment.

Residents aged between 11 and 19 have their chance to help run the city now that nominations for MKCAB have opened and this has sparked excitement among teens who are keen to help shape the city's future.

Cheryl Goodard, 19, of Silver Street in Stony Stratford said: "I finished school in the summer and I'm struggling to find work so this is a good opportunity for young people to hold leaders accountable and get them to tackle the growing problem of youth unemployment.

"People in my age bracket understand what the difficulties are because we're living through it, so we're in the best position to help."

The Youth Cabinet acts as a bridge between young people and decision makers, such as Milton Keynes Council.

One of their most recent achievements was helping to introduce the All in 1 card – providing people in education with concessionary bus fares and various other discounts.

During elections thirty-six candidates – 12 each in south, north and central Milton Keynes – will stand.

Greg Matthews, 16, of Duncombe Street, Bletchley, said: "It's important for young people to have a voice.

"I'd feel better going to someone my age to speak about concerns so it's good that I can nominate myself for the youth cabinet."

If you would like more information about nominations call 01908 253466.

# Canal will boost jobs and tourism

BY ADAM GRINSELL
adam.grinsell@mk-news.co.uk

**THE country's deepest canal lock could be built in Milton Keynes – providing a boost for jobs and tourism.**

The announcement was made at a recent conference of those involved in the Bedford and Milton Keynes Waterway project, which would see a 22-mile link between the River Great Ouse and the Grand Union Canal.

And it is at this junction, where the waterway would meet the Grand Union near Willen Lake, that the lock could be built.

There are currently two options for the junction – either a series of stepped-locks with a number of water features, or one huge, 11-metre deep lock which would become the deepest in the UK.

Graham Mabbutt, chairman of the Bedford and Milton Keynes Waterway Trust, said: "It would certainly attract more people to Willen Lake.

"As well as the 'boat people', canals and waterways always attract on-lookers and tourists.

"And this attraction would generate jobs and tourists."

It is hoped the lock could be built within the next five years, and would mark the end of the waterway. It would connect the Grand Union Canal with Willen Lake, with the waterway then continuing out of the eastern side of the lake, through the eastern expansion area of Milton Keynes and on into Bedford to join the River Great Ouse.

It is understood The Parks Trust, which looks after Milton Keynes' green spaces, is currently looking into the viability of the lock.

"Once we can get a boat down into Willen Lake from the Grand Union Canal, that would be a huge development," Mr Mabbutt added. "And that would send a message to other developers along the waterway's route that this canal could happen, building the general impetus."

With regards to the project as a whole, he said: "We are very pleased with the progress so far.

"Bit by bit we are getting there – it's looking very, very positive."

It is hoped the whole project will be finished in 20 years' time.

# City pays its respects

**BY DAN PALMER**
dan.palmer@mk-news.co.uk

**PEOPLE from across Milton Keynes paid their respects to heroes who will never be forgotten on Remembrance Sunday.**

The city fell silent at 11am in memory of the brave men and women who have given their lives for their country.

Numerous Remembrance events took place, including services at Bletchley Park, Horsefair Green in Stony Stratford, Aylesbury Street in Wolverton, the High Street in Newport Pagnell and Market Square in Olney.

**Wreath: Iain Stewart pays tribute**

Henry Edwards, 88, a Second World War veteran, attended the service in Stony Stratford and said that he would continue to pay his respects every November, for as long as he was able.

He said: "It was lovely to see so many faces, both young and old, paying their respects."

David Taylor, 35, went along to Bletchley with his two children, Scott, 14, and Rachel, 12.

"It's important to teach the younger generation about the sacrifices people made," he said.

"We must never forget what they did for us."

MP for Milton Keynes South, Iain Stewart, was also among those who attended the service in Stony Stratford.

"It was a real privilege to be able to show my respect to our fallen heroes whose sacrifices have ensured that we have our security and freedom as a country," he said.

Mark Lancaster, MP for Milton Keynes North, had a special honour this year, 8,000-miles from home in Port Stanley in the Falkland Islands.

Mr Lancaster usually takes his Remembrance Sunday spot in Newport Pagnell, but Britain traditionally sends a representative to the Falklands each year, and the MP was selected due to his role in the Ministry of Defence and his continuing service as a Lieutenant Colonel in the Reserve Forces.

This year marks the 30th anniversary of the Falklands War which followed the Argentine invasion of the islands, and more than 50 veterans made the long trip to be a part of the commemorations.

Mr Lancaster stood next to the Duke of Kent during the service.

He said: "I would normally never miss Remembrance Sunday in Newport Pagnell but I was deeply honoured to be asked to represent the Government in the Falklands.

"Given the significance of the commemorations this year I thought it absolutely the right thing to do and this sends a clear message to the islanders as to the strength of support they have here in the UK."

On Saturday, a minute's silence was observed at stadiummk before MK Dons' 1-0 victory over Sheffield United in League One.

Milton Keynes' Poet Laureate Mark Niel chose to honour Bletchley Park veterans by writing a new piece for the occasion, entitled 'Veteran's Day.'

Bletchley Park's Katherine Lynch said: "Mark's beautiful poem is highly evocative of the quiet dignity with which Bletchley Park's Veterans carried the secrets of their vast contribution to the war effort."

# £1000 donation to Buszy project

DISABLED residents can enjoy improved community facilities after a £1000 cash donation.

The Buszy centre in Central Milton Keynes needed funds to refurbish the disabled access and create a new, all-weather outdoor area. Pizza firm, Papa John's, provided funds, staff and sponsorship to support the scheme.

Denise Davis-Boreham, chief executive of Make a Difference, based at The Buszy, said: "We can't say how grateful we are for Papa John's help on this project."

# Why you'll be feeling even better on Friday

**BY DAN PALMER**
dan.palmer@mk-news.co.uk

**EVERYONE loves that Friday feeling – but an event next week is designed to make you feel especially good as the weekend approaches.**

'Feel Good Friday' is being held on November 23 at stadiummk and will be the biggest showcase of health and wellbeing initiatives ever seen in Milton Keynes.

Visitors will be able to take part in a range of free healthy activities, including a zumba class, nordic walking workshops, Nintendo Wii challenges, walking football and much more.

Cllr Debbie Brock, chairman of the Shadow Health and Wellbeing Board, said: "Feel Good Friday is about opening our doors to the entire Milton Keynes community to show that health and wellbeing is for everyone no matter their age, ability or background.

"The London Olympics and Paralympics has given the nation a real buzz around sports, which is something we want to capitalise on and show Milton Keynes has everything you need to turn inspiration into activity.

"Milton Keynes is very fortunate to have many facilities for the public to use all year round. Feel Good Friday highlights this.

"We have teamed up with dozens of local organisations to bring a diverse range of activities, entertainment and information for everyone to enjoy."

Feel Good Friday starts at 10am and is part of MK Council's Health and Wellbeing Strategy which aims to help promote healthy living throughout the city.

# Old shop is new community cafe

A CONVERTED shop is fast becoming a hub of the community thanks to a series of activities.

The Kindling Community Space, Conniburrow, is intended as a place for neighbours to share skills through workshops including Your Community Cafe which launched on Monday.

Jade Jaiyeola, 43, the organiser of Your Community Cafe, said: "We have people who come here from places like Nigeria, Somalia and Ghana and the cafe is a place for people to come and share recipes and taste new foods."

# Fraudster guilty of a 'vile and selfish' con

**BY ANNA MAUREMOOTOO**
anna.mauremootoo@mk-news.co.uk

**A FRAUDSTER who befriended a vulnerable man and conned money out of him has been given a suspended jail sentence.**

Louise Kathryn Aherne, 29, of Ennerdale Close, Bletchley admitted three counts of fraud and was sentenced to nine-months jail which was suspended for two years.

Aherne, who was sentenced at Aylesbury Crown Court on Wednesday October 31, was also given an 18-month community order and ordered to pay the victim £800 compensation.

Aherne met the victim, a 55-year-old man, in the summer of 2010 and befriended him, believing him to be vulnerable.

On their first meeting she persuaded him to lend her £30 and they exchanged phone numbers.

Over a period of time she led him to believe their friendship was growing and they would eventually get married.

She persuaded him to lend her money on two more occasions in June 2011, totalling £250.

After this, Aherne ceased contact with the victim and failed to pay him back.

PC Wayne Christy, based at Milton Keynes police station, said: "Aherne deliberately befriended the victim due to his vulnerability, with the sole intention of swindling money out of him. She lied to him, not giving any thought to how her actions would make him feel, or the difficult financial position she would put him in.

"I welcome the sentence given to her by the court and am glad she can be identified for committing such a vile, selfish crime."

# Card competition judges get busy

JUDGING is underway to pick two winners from a sackful of entries for the MPs' Christmas card competition.

All entries, judged by MK Gallery director Anthony Spira and MK NEWS reporter Anna Mauremootoo, will be exhibited at the gallery's Project Space from December 14. The winners will be revealed at the exhibition launch.

The winning designs will feature on Xmas cards used by the city's two MPs, Mark Lancaster and Iain Stewart.

# Volunteers will cook Xmas dinner for 450

BY ADAM GRINSELL
adam.grinsell@mk-news.co.uk

**A KIND-HEARTED group of volunteers is preparing to spread the real meaning of Christmas by feeding hundreds of disadvantaged people.**

On Saturday, December 15, the third annual Feed MK Christmas event will be taking place at the Jesus Celebration Centre (JCC) in Lloyds Court, CMK.

The volunteers put on a festive four-course spread for the city's less fortunate – this includes the homeless, low-income families, single parents, and all of those in need at this time of year. And they do it all for free.

John Daly, one of the founders of the scheme, said: "When we started in 2010 we fed around 100 people. Last year we had about 330 applications, and this year we are hoping for 450.

"We are having to do it over four sittings this year.

"Each child and adult that comes along this year will get a present, that either we have bought or which have been donated to us by the children at Great Linford School."

Mr Daly also wanted to thank Novotel for its donations.

Reverend Augustino Lyimo of the Jesus Celebration Centre said: "It's a time when those with friends really enjoy themselves, and when those who don't feel really lonely.

"Christmas is about touching the lives of others."

The sittings are taking place at noon, 2.30pm, 5pm and 7pm on December 14, and as well as food there will be a live band.

To apply to attend, get an order form from the JCC or see www.feedmk.co.uk.

# New charity aims to beat the bullys

BY DAN PALMER
dan.palmer@mk-news.co.uk

**A NEW charity designed to help 25,000 young people in Milton Keynes deal with problems including bullying will launch next month.**

The Young People are our Future project is the brainchild of Gary Payne and it will help tackle some of the many issues facing children today.

Aims of the charity include teaching children how to increase their personal safety, and to reduce the chance of them becoming a victim to bullying.

This will be achieved by providing youngsters with a unique set of skills and opportunities to become the 'best they can be'.

At the heart of the project is the Life Skills for Children course, a non-physical educational programme allowing children to experience scenarios where they will naturally call on, and develop, the skills learnt to increase their confidence and ability to interact positively with those around them.

Poor discipline, anti-social behaviour and youth crime are issues which Mr Payne, the charity's Chief Executive, hopes to tackle long term.

Launch: Gary Payne is preparing for the launch of his charity

He said: "This project will positively benefit thousands of local children and develop 120 life skills coaches from the local community."

Those involved with the charity are providing 60 local schools with free training in the course and are also providing other after school activities.

Various local community groups will also be involved carrying out workshops and seminars across the city.

The charity will be officially launched on Sunday, December 2, at Shenley Brook End School, between 11.30am and 2pm.

There will be a session on the life skills course and numerous free activities to participate in including martial arts, football, basketball, dance and singing.

Earlier in the year, the Home Retail Group donated £20,000 to the charity.

# Aston Martin 007 men are reunited

BY ADAM GRINSELL
adam.grinsell@mk-news.co.uk

**A DOZEN former Aston Martin staff, who all worked on the original 'James Bond' DB5 car, reunited last week for the first time in almost 40 years.**

Following an appeal in MK NEWS, the former Tickford Street staff met last Wednesday at the newly-refurbished Newport Pagnell works and showroom.

And there are now plans for a second meet-up, as there were around another eight people who wanted to attend but weren't able to make it.

David Batt, 76, is a former electrician for the car firm and organised the meeting after MK NEWS published one of his old pictures of an original DB5 built to promote the film Goldfinger.

He said: "The last time we all got together was 1974. I'm pleased with the turnout, and hopefully we will get more next time when we have a proper get together with a few sandwiches."

The group were pictured with the DB5 featured in the latest 007 adventure Skyfall, before being given a tour of the current Newport Pagnell works.

**Back together: Former Aston Martin staff, who all worked on the first 'James Bond' DB5s, reunited last week after an MK NEWS article**

One of the former trimmers, 86-year-old Doug Jones from Wolverton, was very impressed with the way the works has changed (but not so much with the present cars' interiors!).

"The new place is like it's in space now – you feel like taking your shoes and socks off before you go in so you don't make a mess," he said.

"It was always a good place to work, a happy place. You were the top paid craftsmen in the area too."

He remembered seeing one of the cars he worked on appearing on TV last year – Prince Charles' Aston Martin DB6 MKII that was used by the Duke and Duchess of Cambridge for their Royal Wedding.

"When I saw William and Kate in the car on their wedding day, I turned to my wife and told her that 'I sat in that seat before they did'," he said.

The group got together after an article in MK NEWS two weeks ago. If you would like to get involved e-mail David on djbatt@talktalk.net.

ADVERTORIAL

# Autumn leaves are falling so get composting!

With autumn once again upon us, it's time to think about tidying up the garden and preparing the soil for the spring. The traditional picture of autumn gardening is of a smoky bonfire that pollutes the atmosphere. However a much more environmentally-friendly approach is to compost your green garden waste.

**Home composting not only helps to significantly reduce carbon emissions, it is also an effective and sustainable method to reduce the amount of waste sent to landfill. Making compost at home is a good and effective way of reducing your waste and producing a rich material to use in your garden, complementing the council's own food and garden waste collection service.**

To encourage households to home compost Milton Keynes Council, in partnership with getcomposting.com, is offering reduced price compost bins, from as little as £16 (RRP £39) plus £5.49 delivery.
The wet summer has encouraged plant growth and created an abundance of garden prunings, spent bedding plants and grass cuttings, which could all be recycled over the coming months to produce a nutrient rich free supply of compost.
It's important to have a good mixture of materials if you want to make a good quality compost. As well as green garden waste, you can compost fruit and vegetable peelings, egg shells, tea bags, pet hair, and even shredded paper. Try to aim for a 50/50 mix of 'greens' (vegetable peelings, old flowers, grass cuttings, spent bedding plants) and 'browns' (garden prunings, coffee grounds, tissues and paper napkins, cardboard, vacuum cleaner dust).
If you have too many leaves for your compost bin, just put the excess into a bin bag, make a few holes in it, and leave in a secluded spot to rot down. It will be a great soil conditioner in a few months' time. Another good tip is to use your lawnmower to collect up leaves - this shreds the leaves and helps to speed the composting process
If you get it right, this autumn's waste will provide a free supply of nutritious soil conditioner that will enrich your spring planting, producing an abundance of flowers, fruit and vegetables next year.
Bins come in a variety of sizes – buy two and get the second half price - and composting accessories are also available at special offer prices.

**To order your compost bin call 0844 571 4444 or go to www.milton-keynes.gov.uk/recycling and click on Find Out About – Home Composting or go directly to: www.getcomposting.com**

**To find out more about composting in general visit www.recyclenow.com/home_composting.**

If home composting is not for you, remember you can put all your garden waste in your green food and garden waste bin which is collected weekly throughout the year. This is turned into soil conditioning compost which is now available to buy at the council's three Community Recycling Centres (CRCs):
Bleak Hall, Chesney Wold, MK6 1NE
Newport Pagnell, North Crawley Road, MK16 9HG
New Bradwell, Newport Road, MK13 0AH

**Available in 60 litre bags costing £4 each - or buy three bags for £10 - there is no limit of sale per customer.**

**All sites are open from 8am to 5pm October to March.**

## MAKING THE MOST OF SCHOOL OPEN DAYS

**During an open day prospective parents and pupils can visit the school during a working day. You'll be able to visit classrooms, and often pupils will show you round and talk to you about their school.**

Ten tips for getting the most from an open day

1. Take your child with you – you need a child's eye view as well as your own, and they'll notice things you miss.
2. Think about whether you find the open day chaotic, friendly, efficient or improvised? The organisation of the day's events can give many clues to the general running of a school.
3. Pay attention to the pupils themselves - do they seem happy and motivated? Do they speak positively about their teachers and school-life?– Pupils are the best ambassadors for any school.
4. Don't make decisions based on individual teachers – they may have left by the time your child starts school.
5. Don't get too bogged down in the details - try to get a 'feel' for the school atmosphere. Write down your first impressions.
6. Feel free to ask questions if you want to, particularly of pupils – what do they think of the teaching – do they enjoy life at the school?
7. Look at the work on display. Does it represent a broad range of ability? A school should value every child.
8. Does the school offer extra-curricular activities - such as sports and clubs – so your child can develop their interests? This also shows that the teachers are motivated and enthusiastic.
9. Find out about the lunch arrangements - are there healthy school meals available and what do they cost? What are the other options, eg packed lunch?
10. Remember - listen to your instincts

## AT ST PAUL'S CATHOLIC SCHOOL POST-16

**Teaching and learning is "Outstanding" (OFSTED) and we are committed to providing an educational experience in years 12 and 13 that develops the whole person in preparation for leading a successful and fulfilled life beyond school.**
We encourage all students to do the best that is possible. The overwhelming majority of our students go on to secure places at the University of their choice and, whilst we are delighted to have students at Oxford, Cambridge and other Russell Group Universities, all students are valued, whatever their destination. Careers and Higher Education advice is always freely available. We are very pleased with our recent provision for providing routes into Apprenticeship.
Providing for success post-16
We offer an extensive range of courses and pathways for learning post-16. In addition to academic AS and A2 courses we also offer Applied Vocational AS and A2 and a wide range of BTEC Level 3 Qualifications, therefore providing for all learner needs. It is possible to combine academic and vocational courses. Entry requirements vary according to the pathway you choose to follow. Most students will take four chosen subjects in Year 12 but their learning will be enhanced by following a range of enrichment courses. We also offer a route into Year 12 for those students who are yet to meet the requirements through the BTEC Level 2 in Business.

Many students complete this course and then progress to level 3 courses.
At St Paul's we are committed to enhancing the experience of our post-16 students beyond providing outstanding academic courses. It is very important that students take every opportunity to "add value" to themselves. St Paul's offers an extensive range of such opportunities. We offer additional qualifications including the extended project, critical thinking, Business languages and personal finance. A range of courses to develop leadership experience, including language leaders and sports leaders and our far reaching sports programme, includes the opportunity to gain coaching qualifications. Duke of Edinburgh Gold Award and World Challenge Expeditions are popular and well established programmes. The curriculum experience is further enriched through trips to Universities, the theatre, lectures, retreats, residential trips and field study weeks. We offer a whole programme of visiting speakers introducing young people to areas of interest and concern that affect them in their journey into adulthood.
Making the decision to continue education at St Paul's post-16 could be the best decision a young person makes.

**Come along to our Open Evening, Tuesday 4th December 2012 at 7.00pm to find out more and talk to students and staff.**

# EDUCATION & TRAINING

## CONTACT BETWEEN SCHOOL AND PARENTS

### Keeping you involved

Research shows that good links between you and your child's school improve their enjoyment and chances of doing well. The more you know about what your child is learning, the more you can offer support. Most schools try hard to involve you in your child's education.

**They do this in two main ways:**

- By keeping you informed about how and what your child is learning – ie the curriculum, teaching methods, tests and exams, and changes to the education system
- By keeping you informed about your child's individual progress

### Ways to keep in touch

Every school gives parents a report on their child's progress at least once a year. You'll also be invited to attend at least one parent-teacher meeting during the year.

To keep you informed about other issues eg after-school clubs, dinner money, outings letters will be sent home with your children, and/or emailed. Some schools use text messages to communicate urgent information eg school closures.

## WHERE ARE THEY NOW?

### The 30th Anniversary hunt is on for former MK College Students

**To celebrate its first thirty years, Milton Keynes College wants to get in touch with as many as possible of its thousands of former students.**

A host of reunion events are in the planning stages and a new Alumni Association has been formed with its own website.

College Principal, Dr Julie Mills says, "We really hope people will want to share their experiences of College life and see how the place has changed over the years. We know that many former students have achieved great things but there must be thousands of untold stories of what our alumni have done. We think they could inspire a new generation to come here, to learn and to achieve great things in their lives as well."

The College is to put on a photographic exhibition of the "College through the years" and is asking for help to unearth photos from past students and staff. Dr Mills says "It would be wonderful to be able to show pictures from each of the past thirty years. We love to hear from anyone who has any old photos that they would be willing to have put on display." Contact with the association is via the new dedicated website at alumni@mkcollege.co.uk"

It is hoped the website will give current students a forum to access the wealth of knowledge and experience accumulated by Milton Keynes College's Alumni over the past thirty years, as well as the opportunity to network, share experiences and reconnect with old friends.

Dr Mills says "Current students can learn so much from their predecessors and we hope that some of those who make contact would be willing to offer mentoring, give talks, provide work experience or just give advice by sharing their views on life after College. Young and old alumni will have access to the College's careers advice service, and will benefit from a growing range of special offers, discounts and exclusive invitations. Access to the Alumni Association is available to previous students of Milton Keynes College or either of the Further Education Colleges at Wolverton and Bletchley. Please sign up at https://alumni.mkcollege.ac.uk/.

Alternatively you can Tweet (@MKC_Alumni), Facebook (Facebook.com/MKCollege1) or connect on LinkedIn (Search: Milton Keynes College Alumni).

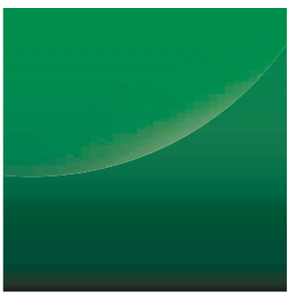
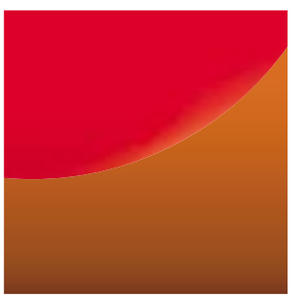
the Hazeley ACADEMY





# Hazeley Sixth Form: The Academy of Choice

## A World Class Academy with an International Standard

Offered primarily in the highest-performing, fee-paying private schools and nowhere else in Milton Keynes, a second cohort of sixth-form students ever to achieve the highly-acclaimed International Baccalaureate Diploma (IDBP) celebrated their outstanding and well-deserved success this summer. They achieved results well in excess of international average standards and our overall Post-16 results, including IDBP, A level & BTEC, statistically, were some of the best in the city and beyond. The Hazeley Sixth Form has arrived!

### • Student Centred:

The Hazeley Academy is keen to live up to one of our strap lines 'The Academy of Choice'. Students are able to choose from the broadest range of subjects. From psychology to law, from hospitality and catering to photography, from philosophy and ethics to sport.

### • Fresh:

The Hazeley is a high-achieving, new build Academy with fantastic, modern facilities - completed in 2010. Popular and over-subscribed as we are, to expand beyond our existing cohort of 300 students, we have already drawn-up plans in the pipeline for a further new block from 2014.

### • International:

We attract some of the best teachers for Post-16 education - many to gain experience in teaching the International Baccalaureate. Many of the same teachers also deliver our A level and BTEC programmes; so everyone wins!

### • Competitive:

Our A level and BTEC results were excellent this year. Those students who completed the IBDP also achieved exceptional results - in line with some of the highest achieving private and grammar school sixth forms across the country and indeed across many continents. For example one student achieved the equivalent of close to 5 A*. Many others were not far behind.

Join us at our next Open Evening for The Hazeley Sixth Form - which includes information about all our programmes. It is on Thursday 6th December from 6:00pm - 9:00pm (with presentations from the Assistant Principal (Post-16) Mr Nick Summers at 7:00pm and 8:00pm). Year 11 students and their families from Milton Keynes and beyond are very welcome.

# How a photograph of empty shelves motivated generosity

Earlier in the year, this newspaper ran a story with a picture of empty shelves at the Food Bank in Milton Keynes. The response from the public was immediate and fantastic, with donations of food and money coming in from all areas of the community and local businesses. With Christmas just around the corner, the Food Bank is once again looking to the generosity of local people to help them provide an invaluable service to the most very needy this year.

The Food Bank are aiming for over 200 hampers this Christmas. That's 200 families who would otherwise find Christmas a real struggle. Many cannot afford to eat properly let alone treat their children to something special.

The Food Bank in Milton Keynes can be contacted directly by calling 01908 322800 or you can visit the website for full information on how you can be involved this Christmas. www.mkfoodbank.org.uk

### Local company joins the *Big Xmas Give* initiative

# Be part of something Very Big this Xmas

Christmas is the time of year where families come together to enjoy food aplenty and merriment. For the volunteers and staff of The Food Bank in Milton Keynes, it is a time of particular importance. For those people who are unfortunate enough to be in a crisis this year many will be looking to the Food Bank for much needed emergency support over the festive period.

John Connolly, owner of local business Homesure, visited the Food Bank recently having been moved by a televised documentary into a similar resource operating in Coventry. Having seen for himself the challenging work and the difference the Food Bank was making around the City, he decided to work with business development manager Rebecca Savage and project manager John Marshall on a way to offer Homesure customers an opportunity to engage with the organisation. John said 'I have first hand and personal experience of how easy it is for fortunes to change and to find yourself in a totally unexpected situation over the Christmas period. It is so very easy to take the basic things in life for granted and there can surely be nothing more basic than being able to feed yourself or your family.

Rebecca Savage (Business Development Manager, The Food Bank) pictured above with John Connolly from Homesure.

I can really appreciate the benefit an individual or a family would get from a little respite from any crisis they may find themselves in.So I decided I would see if I could make a difference in my own small way.

A couple of years ago, a company I owned, ran a promotion whereby we gave a Marks & Spencer's £10 gift voucher to any customer who invited us to give them a quotation for any of our products. It was a very successful campaign and over a short period of time, we gave out several hundred pounds of vouchers. No purchase was necessary.

Traditionally, as the cold weather arrives, we see an increase in numbers of people asking us to give them quotations for a selection of home improvements. I thought it would be an ideal time to reintroduce the gift voucher promotio. This time we will also offer our customers the option to donate the value of the voucher to the Food Bank.

I have instigated a system where Homesure, will match the value of the voucher, so will effectively donate £20 for each of our customers who having received a quotation opt to donate their free voucher to the Food Bank (No purchase necessary).

We hope to raise over £2500 for the Food Bank in the run up to Christmas, with the money going towards the basic food essentials as well as potentially one or more simple treats to be added to each parcel that is distributed over the festive period.

We are calling the campaign 'Big Xmas Give' after the success the Food Bank achieved with 'Big Little Give' initiatives earlier this year. I am extremely proud to be working with the Food Bank on this initiative and sincerely hope we exceed our targets and help provide much needed resources for the organisiation."

Rebecca Savage from the Food Bank said 'Last year's Christmas was made special for many families in need through The Food Bank's Christmas Hampers scheme! Local companies, organisations and individuals were encouraged to create Christmas Hampers for nominated families.

Over 150 hampers filled with Christmas goodies such as Christmas pudding, sweets, mince pies and gifts!

The really nice thing about the hampers is they are tailor made- so there will be a gift for each child and parent depending on their age and gender, there's is a lot of thought that goes into the parcels to show that someone cares at this special time of year.

This year we are aiming for 200 hampers and really welcome the support of local businessmen like John and the continued generosity of the community"

## Junior Simpson's in the city for a night of laughter

**THERE'S another top line-up of star comedians at Xscape's Sno!Bar tomorrow evening – so why not give your funny bones a work out?**

Junior Simpson, pictured, is a known face on the telly these days, having appeared in shows such as Never Mind The Buzzcocks with his engaging and effervescent humour.

You might also recognise him from the big screen too, as he had a role in the Hugh Grant and Richard Curtis rom-com Love Actually.

Joining Junior is Nathan Caton, a former architect who has recently been seen on Mock The Week and heard on Radio 4's The Now Show, and BAFTA nominated Michael Legge, who has been a hit on stage as a comedian and off it as a writer.

Completing this exciting looking bill is Josh Howie, who has popped up on Comedy Central shows Comedy Store, World Stands Up and Comedy Blue.

Tickets for the night cost £10 and everything gets under way at 7pm – so get ready for a chuckle.

For group discounts call Mel on 01908 680824, and for more information visit www.its-comedy.co.uk.

# bolanboogie

**THE son of legendary glam rocker Marc Bolan is coming to Milton Keynes to play a tribute set to his father.**

Rolan Bolan will be at the Craufurd Arms performing some of his late father's greatest hits on Monday November 19, from 7.30pm.

Rolan was born in Camden, London, to T Rex's frontman and Gloria Jones – an American singer who had a UK hit with Tainted Love in 1973.

His rich musical lineage kicked in during the 90's when he worked for rapper and actor Ice Cube's Street Knowledge Productions in America as a platform to learn about the business side of the music industry.

Rolan has written more than 160 original songs and has recently signed a recording deal with EFM/Bungalo Records, a Universal Music Group distributed label.

Tickets for the Craufurd Arms are £5 from www.thecraufurdarms.com.

# folknight

**DERIVED from folk and singer-songwriter acoustic styles, the music of Heliopause has developed into the realms of subtle pop and encompasses elements of electronic backing tracks, soaring vocals, guitars and catchy melodies.**

Richard Davis is the performer behind Heliopause and he is coming to The Stables later this month.

He began songwriting and performing after directing music videos for bands in Belfast.

Over the years Heliopause has become renowned for interesting shows – from playing intimate acoustic performances in cafés to full band shows in major venues.

Heliopause is at The Stables on Friday, November 16, at 8.45pm.

Tickets cost £10 in advance or £12 on the door from www.stables.org.

# malechoir

**ENJOY a night of masterful music when the Northampton Male Voice Choir perform at Chrysalis Theatre in aid of Willen Hospice and Rotary International's End Polio Campaign.**

## twilighttime

**ANY mention of the Twilight series is enough to make many people recoil in horror, but there's no getting away from it – Stephanie Meyer's romantic/fantasy stories have become a global smash.**

Famous showbiz couple Kristen Stewart and Robert Pattinson (who have given the gossip magazines plenty of material over the past few weeks) have both returned to reprise their roles in Breaking Dawn Part 2, which is out at the cinema this week.

Kristen's character of Bella Swan is ready to begin her new life as a vampire after she was transformed by husband Edward, played by Pattinson.

Fans will no doubt love it but if you are not into it, you won't be turned.

## formulakarts

**THE karting computer game king is indisputably Mario Kart, but now the famous plumber has a rival from a perhaps unlikely source.**

F1 Race Stars is a new release on PC, PS3 and xbox360 this week and it allows players to take control of racing royalty such as reigning world champion Sebastian Vettel of MK-based Red Bull Racing, former world champion Lewis Hamilton and double world champion Fernando Alonso.

As you've probably guessed, the drivers have swapped their usual motors for karts in the game but that is no bad thing as it means that the emphasis is purely on fun.

The characters all have ridiculous cartoon heads and nothing is taken that seriously, which means that the karting capers are very entertaining.

## fridayfilm

**THIS week's Friday Night Film at MK Gallery is City of God, which is set in a lawless slum in Rio De Janeiro.**

Our hero in next summer's Olympic city is Rocket, not the bloke from Soccer AM but an aspiring photographer looking for his big break so he can leave the treacherous area.

The film starts when Rocket is just a young boy, as he learns to cope with gangs near his home.

We watch him grow up and as the crime rate soars and more sinister characters arrive, he realises that his work as a photographer matters.

The film starts at 6.30pm and tickets cost £5 or £3 for concessions.

You can pre-book on 01908 676 900 and there is a free drink for those who do so in advance.

# theatrereview

**THE Phantom of the Opera is playing at Milton Keynes Theatre for a month and it's not hard to see why it needs such a long run. Cameron Mackintosh's spectacular new production of the much celebrated musical is simply outstanding and a must-see for theatre lovers in and around MK.**

Full of theatrical tricks and hauntingly beautiful music, we learn what happens when a dancer and soprano, Christine Daaé, becomes the obsession of a mysterious, disfigured musical genius: The Phantom.

Most people know the show's iconic tunes; The Phantom of the Opera, The Music of the Night and All I Ask of You. But you won't have heard or seen them performed to the unbelievable standard of the 25th anniversary tour. The stunningly beautiful vocals of Christine (Katie Hall), The Phantom (Earl Carpenter) and Raoul (Simon Bailey) are absolutely impeccable and will have you mesmerised throughout.

# New Milton Keynes Homes in High Demand

Crest NICHOLSON

Next weekend, Saturday 24th & Sunday 25th November 2012, sees the launch of the highly anticipated Oakgrove Village, a brand new development in Milton Keynes by award-winning developer Crest Nicholson Regeneration.

The development has attracted extremely high levels of interest with over 750 people registering their interest prior to launch.

When complete, Oakgrove Village, which is situated opposite the Ofsted 'Outstanding' Oakgrove School adjoining the V10 Brickhill Street and H7 Chaffron Way, will comprise up to 1,100 properties from two, three, four and five-bedroom houses to one and two-bedroom apartments. Oakgrove Village will be one of only a few developments built to meet the standards of Code for Sustainable Homes Level 4, which, amongst other benefits, will result in cheaper running costs for residents.

Named Hazel Copse, construction of the first phase of the development is well underway and will incorporate two, three, four and five-bedroom houses and one and two-bedroom apartments. The properties are arranged in different neighbourhood areas to encourage a sense of neighbourliness, with all houses having private gardens and all apartments benefiting from private outdoor space in the form of a balcony or patio.

Susan Young, Sales & Marketing Director for Crest Nicholson Regeneration said: "Crest Nicholson has a long history of building new homes in and around Milton Keynes and we're absolutely committed to continuing to deliver vibrant new communities that complement their surroundings. The high level of interest we have received in Oakgrove Village is very encouraging. We're confident it's going to prove extremely popular with purchasers and are looking forward to seeing a new community develop and thrive."

At the heart of the development is a central square which will provide a hub for the new community with restaurants, shops and a new Waitrose supermarket. High quality landscaped green corridors, open spaces and parkland will be a prominent feature of Oakgrove Village, linking the development with the Ouzel Valley Park along the western boundary, providing a network of redways and leisure routes and wildlife habitats. Residents will also have easy access to nearby Willen Lake and Milton Keynes Village as well as a fully equipped local leisure centre which is adjacent to the development.

### RUGBY UNION

MILTON Keynes director of rugby Ray Bray believes getting promotion from the Southern Counties North is all in the mind.

The Emerson Valley outfit have recovered from losing their first two games of the season by winning their next five – a run which has elevated them to fourth in the table, six points adrift of leaders Reading Abbey.

Going up is very much the target for Bray after MK were cruelly denied a spot in the play-offs last year.

In the final table Milton Keynes were second but the results of Malborough, the league whipping boys, were expunged as they had earlier pulled out of a match – a decision which knocked the city side out of the play-off spots.

"Last year is behind us and this year it is all about having a positive mental attitude," Bray said.

"If we can get that right then we can beat anyone in the league."

Local rivals Buckingham and Olney have found themselves in the same division as Milton Keynes after relegation last season, and Bray believes that this year things are a lot tougher.

"Teams that we've lost to are losing to teams we've beaten," he said.

"We were disappointed last year but the target is very much promotion, everyone is fixed on that."

### HOCKEY

MK Ladies' firsts returned to action after a week's break from league hockey, but they went down 4-1 to Hampstead and Westminster second team.

The city side fell behind with just over four minutes on the clock, although they were able to level when skipper Sophie Reynolds converted following a penalty corner.

That was as good as it got though as some loose defending allowed Hampstead to stretch their lead further.

The result leaves MK fourth in Division 3A of the South Clubs' League.

Elsewhere, there was a victory over bottom club West Hampstead for the Mens' firsts in the South Clubs Premier Division.

Andrew Pettefer and Nicholas Anderson were the star men for Milton Keynes who triumphed 2-1, a result which leaves them 10th in the league.

The Mens' second team drew 0-0 with their Maidenhead counterparts, but the thirds picked up a 3-0 victory over Eastcote fourths after a pair of goals from Johnny Wyatt and a strike from Will Luther.

There was no joy for MK Samurai who lost 5-3 to Ramgarria seconds, after the game had been finely poised at 3-3 following goals from George Ellison, Mark Ling and Ben Spencer.

The fifths drew 1-1 with Leighton Buzzard Fledglings after a goal from Alan Phillips.

There was a defeat for the Ladies' seconds, who lost 4-1 to Gerrards Cross 1sts after a goal by Livvy Curle. The thirds lost 3-0 to Oxford fourths, and the fourths were beaten 12-0 by Hitchin Blue Harts fourths.

### ROLLER DERBY

THE Milton Keynes Concrete Cows are hoping to clinch 'The End of the World Series' on November 24.

If they can see off the Bedfordshire Rollergirls, the Cows – the only unbeaten side in the series – will be crowned winners.

The bout will take place at the Bunyan Centre in Bedford.

### SQUASH

SHENLEY junior squash player Jemma Stanton won the Under 15 Coolhurst Middlesex Open this weekend.

The tournament was run on a round-robin basis and Stanton won both her games 3-0.

She was also runner up at the Bedfordshire Junior Open in Luton.

# Thumping win means AFC date is sealed

**MK Dons assistant boss MICK HARFORD writes exclusively for MK News every week**

**SATURDAY'S victory over Sheffield United means we have now gone three league games without letting in a goal.**

The teams who win promotion are always those who have the best defensive records so full credit has to go to our players for the recent run.

Along with Sheffield United, we have only let in 11 goals this season which is the best record in League One.

Keeping a clean sheet is one of the first ports of call for a team and it is one of our main priorities.

Our back four, or back five I should say, defend as a unit and are regularly helped by the midfield.

They remain tight and compact and have looked very solid.

We've all been delighted with the commitment to the cause they have shown as they put their bodies on the line.

People have said that the Untied victory was our biggest of the season, but, at the end of the day, you get the same number of points for every win.

I thought that we thoroughly deserved it and it was great to be the team who ended their unbeaten start to the season.

We knew that United would play a certain way and for me it was a long ball game with lots of flick ons.

We travel to league leaders Tranmere Rovers on Friday night for a game which will be under the lights and in front of the cameras.

We will travel up on Thursday and train in Liverpool, for what will be another very tough challenge.

Because we have had so many games in a short space of time, the players have been recovering in the ice chambers at Champneys.

Nobody really likes them, but they are a useful recovery tool and not as bad as ice baths.

### FROM BACK PAGE

League side could do about the Dons opener though, which is arrived in spectacular fashion after 12 minutes thanks to Shaun Wiliams.

The Irishman took aim from close to 40 yards out and unleashed an unstoppable drive which flew into the middle of the net pass a helpless Zac Barrett.

There was an obvious gulf in class as Dons poured forward in endless waves and only a last ditch clearance prevented Ryan Lowe from sliding in a second.

The part-timers worked hard at the back and tried to stick to their game plan but two quick strikes before the stroke of half-time put the result beyond doubt.

O'Shea first showed great skill to avoid tackles on his way into the box, and he dispatched a clinical finish past Barrett to double the advantage. Dean Bowditch then piled on the misery by rifling a finish into the roof of the net after Lowe's initial effort was superbly parried away by Barrett.

City won an early corner in the second half, which sparked big celebrations in the away end, but the one way traffic continued and Williams hit the upright from the edge of the area.

Dons were in cruise control but the visitors suddenly had something to cheer when a superb cross from Luke Allen was headed in on the line by Dave Theobold.

It was something for the visitors to cheer but Dons roared out of sight with a lethal spell which saw them net three goals in as many minutes.

Charlie MacDonald was brought down in the box by Tom Pepper and Williams buried the penalty, and there was then an excellent moment for 16-year-old Dele Alli who crashed home a beautiful finish from 25 yards.

Cambridge were shell-shocked after the double blow but Adam Chicksen swiftly made it worse by slotting his first for the club past Barrett.

In truth, Dons could have probably had more, but thoughts now turn to AFC Wimbledon.

**Dons**: Martin, Lewington, Doumbe, Williams, Gleeson, Bowditch (Chicksen 62), MacDonald, Lowe (Rasulo 67), Alli (Galloway 78), O'Shea, Kay. Unused subs: McLoughlin, Smith, Spence.

SKIING

## Teen targets Olympic spot

**TEENAGE skier Matt Thompson is taking the next step in a career which he hopes will peak at a Winter Olympics.**

**The 19-year-old today flies out to Norway for a training camp which will last until January.**

**It means he will spend Christmas and New Year away from Milton Keynes but missing the festive period will be a small price to pay if he achieves glory on the slopes.**

**"I get bored at home and I love Scandinavia as it's a lot quieter than the rest of Europe," Thompson said.**

**"The aim is to keep improving and to become a better skier every year, so I'm looking forward to going out there and going racing."**

**Thompson has established himself as one of the country's brightest skiing talents after a superb year.**

**In February, he competed at the English Championships where he captured the men's overall title. He then added the junior downhill title at the British Championships in Meribel.**

**He was then selected for the British Alpine Europa Cup team, before heading out to Tignes for two weeks to train on the glacier with two of Britain's top speed skiers, Dougie Crawford and TJ Baldwin.-**

**Thompson will be based in Hemsenar and Oppadal in Norway and as well as training, will be competing in International Ski Federation (FIS) races.**

**"There will be a mixture of competition, training and racing, so I'm excited about it," he said.**

**"A Winter Olympics is a target and I think 2018 in Pyeongchang in South Korea is the most likely one I can go for.**

**"I'm targeting the speed skiing events and 19 isn't really when you are at your peak, you have to wait until you are a few years older."**

**Thompson started his racing career in 2001 at the age of eight and has since earned a number of accolades.**

**His CV includes winning the British Junior One Downhill title in 2009 and 2010, the British U18 downhill title in 2010 and 2011, and the British Overall Junior Downhill title in 2011.**

**He was a former member of the British Children's and Team England Alpine Ski Teams and has competed in the European Youth Olympics.**

**This weekend was a significant one for British skiing as Dave Ryding achieved World Cup points while racing in Finland, a rarity for competitors from this country.**

**"I want to race on the World Cup tour one day and I hope to be able to emulate Dave's success," Thompson said.**

FAST LANE: Red Bull are on track for an F1 double

## Red Bull close in on both titles

**SUNDAY could be a historic day for Tilbrook-based Red Bull Racing.**

The city outfit are hoping Sebastian Vettel will become the youngest ever triple world champion and the team will successfully re-claim the constructors' title at the United States Grand Prix.

Vettel has a 15-point lead over Ferrari's Fernando Alonso, who is the only man who can prevent the German from clinching his hat-trick.

He will seal title glory at The Circuit of the Americas if he can score 15 more points than his nearest rival, meaning a number of scenarios could work out in his favour.

If he wins the race he will be victorious if Alonso is fifth or lower, and second place will be good enough if the Spaniard comes ninth or lower.

Meanwhile, the constructors' title looks to be sealed as Red Bull lead Ferrari by 82 points with only 86 left to race for.

The final race of the season following Austin takes place in Brazil on November 25.

Vettel, who will be racing for the 100th time on Sunday, said: "I have been in the simulator learning the Austin track, how it flows and getting a general feel for it."

# Lightning are on the charge again

**LIGHTNING forward Grant McPherson thinks now is the time the team will really kick into gear.**

The 25-year-old from Scotland has been in great form for the city skaters this season and is pleased that a mixed start to the campaign has been replaced by a more positive run of results.

Lightning claimed two victories from their three games this week, a run which has lifted them to third in the table.

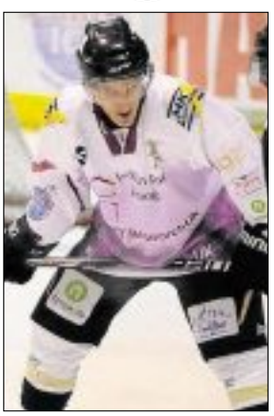
With no side in the English Premier League streaking away, McPherson thinks Nick Poole's Lightning are very much in line for all three trophies.

"We were up and down for a couple of weeks but now I think we are going to start flying," McPherson said.

"We're more than capable of winning trophies."

On Wednesday, new signing Kamil Tvrdek capped a dream debut with the winning goal as Lightning came from behind to beat Slough Jets, 3-2, at Planet Ice.

The Czech was only drafted in to the side due to the serious hip injury suffered by Adam Calder



last month, but he made an instant impact.

Slough took their revenge at their own rink on Saturday, with a 2-0 victory, but Lightning returned to winning ways at Sheffield Steeldogs on Sunday thanks to a penalty-shots victory which followed a 2-2 draw.

Skipper Adam Carr got the winner after both teams scored on their first attempts and missed on the second. Meanwhile, Calder, who had surgery last month, is due to see a consultant about the problem which is set to keep him out for a prolonged period of time.

The Canadian hot-shot was signed from Slough during the summer to be a regular supply of goals and fellow forward McPherson, pictured, acknowledged the workload needs to be shared.

"When we signed him it was a relief as we've been crying out for a natural scorer," he said.

"It's such a shame but we all need to chip in now and stick together."

Lightning host Manchester Phoenix on Saturday and will then travel to Telford Tigers on Sunday.

Meanwhile, City-born forward Leigh Jamieson has returned from Japan where he helped Great Britain keep their qualification hopes for the 2014 Winter Olympics in Sochi alive.

Britain beat the hosts and Romania to win their group and reach the final qualifying phase.

"I'm proud to be a part of it," Jamieson said.

### BASKETBALL

MILTON Keynes Ladies saw off Witney Ladies 46-38 in the Oxford Ladies League.

The city side started out strong with some well structured offensive play which gave them an early lead in the contest.

Tight defence kept them in front and the half-time score was a comfortable 23-15.

Cougars came back strong in the second half, getting within five points at one stage, but Milton Keynes managed to retain the lead thanks to strong shooting drives from player of the match and top scorer Chris Garrison.

"Defensively the girls played well, but they lacked consistency and structure in offence which I hope will improve for next week's match," coach Carl Nason.

### SWIMMING

THE City of Milton Keynes Swim Club (CMK) travelled to Biggleswade on Saturday to compete against five other clubs in the second round of the Arena League - and once again they came out on top.

Notts Leander, who narrowly beat CMK in last year's final, Biggleswade, Louth, Norwich and St Ives provided the opposition but they could not prevent a second straight win for the city swimmers.

After the first round of relays CMK were slightly behind but after 20 events there was only a point in it between Notts and CMK.

Just like in round one, CMK then started to pick up more wins and they stretched their lead to 20 points by the end of all 50 events to compete a comfortable looking victor over their rivals.

It is also the first time the club have achieved a perfect record of winning both opening rounds going into the final on December 8.

### GOLF

JUNIOR golfers Joseph Amer and Jason Frisby claimed the top two spots on the podium at the BGL Junior Trophy.

The national competition, played at Hoebridge Golf Centre in Woking in Surrey, was contested by 40 young golfers from BGL Golf's facilities across the country.

Nobody could stop Joseph and Jason who finished first and second respectively in the nett competition.

Both youngsters are 13 and play at Abbey Hill Golf Centre in Two Mile Ash.

Joseph, playing off a handicap of 23, shot 87 around the par-69 course – designed by three-time Ryder Cup captain and golf legend John Jacobs – giving him a nett total of a five under par 64.

Jason trailed his club mate by just three shots as he came home in second place.

"To have two of our juniors finishing in the top two places is testament to the hard work both our professionals and the young golfers have put in," Gordon Forster, Abbey Hill Golf Centre's General Manager, said.

# Six of the best means Dons seal cup clash with AFC Wimbledon

BY DAN PALMER
dan.palmer@mk-news.co.uk

**DONS stormed past Cambridge City last night to book the much-anticipated FA Cup grudge match with AFC Wimbledon.**

Karl Robinson's men made short work of their non league opponents in the first-round replay to set up what will be the tie of the second round next month.

The thumping 6-1 victory followed AFC Wimbledon's 4-3 victory over York in their replay on Monday.

The two rivals will now collide for the first time since the controversial decision to rename Wimbledon the MK Dons and relocate the club to Buckinghamshire in 2004.

"The greatest cup competition in the world has produced a very historic moment in round two," Robinson said.

"I said that I danced around the living room after the draw but then when you get good draws in the FA Cup you get very excited by it.

"I can't wait. I know that the whole of football will be watching as people will have grievances and anger.

"People will think there will be excitement but we've got to make sure that we progress in the right manner.

Some AFC fans have threatened to boycott the match but Dons assistant manager Mick Harford welcomed the tie.

"'We are delighted to be in the hat and we wanted for it to be a game against AFC Wimbledon," he said.

"The teams were always going to meet some day, and at some time."

Cambridge City, who defended so heroically to earn a 0-0 draw first time around, set out their stall to remain solid at the back once again and ten minutes had not been played when a crowd of bodies blocked Jay O'Shea's goalbound shot.

They clearly wanted a repeat of what had happened at Milton Road but there was nothing the Southern Premier

THE rapidinchloss CLINIC

One of our success stories...

**Who:** Leslie Carey, 39

**Where:** The Rapid Inch Loss Clinic Nuneaton

**When:** 6 Weeks, June 2011

**What Happened:** Leslie had Ultrasonic Liposuction on her stomach and inner thigh but only lost ¾ inch after 1st visit. She then lost 2 ½ inches after her 2nd visit, before losing 16 inches in total over the course of her therapy.

**How:** We focussed Ultrasonic Liposuction on Leslie's inner thigh and stomach once a week (1 session on each area) for 6 weeks. After her 1st session Leslie ate take away food on 4 of the evenings, as well as drinking several pints of beer most nights. This resulted in slow progress. However, after only losing ¾ inch in week 1, Leslie decided to drink a little more moderately, ate more balanced meals and as a result she then lost 2 ½ inches between her 2nd & 3rd treatments. Leslie then resolved to adjust her lifestyle, she started eating & drinking in moderation, while making an effort to be more active generally. Leslie went on to lose 16 inches in total over her course which took in 12 sessions each on her stomach & inner thighs.

**Why was Ultrasonic Liposuction Needed:** Leslie has a demanding job as a director of an engineering firm, this lead to Leslie having a poor diet of take away food & beer, with little activity in her daily life due to a lack of time. Leslie arrived for her 1st session as a size 16, standing at 5' 6" tall

**Where are they now:** After achieving her target size and shape Leslie had lost 16 inches from her stomach and inner thigh. After completing her course and armed with her improved lifestlye and body shape Leslie felt inspired to take up Exercise! She began walking 3 evenings a week and therefore needed no more sessions to maintain her new size and shape!

# The science behind losing Inches & feeling great!

Non-Surgical Ultrasonic Liposuction from The Rapid Inch Los Clinic makes losing inches easy, especially from stubborn fatty areas like your belly, hips, arms and legs. Better still, it's fast, 100% pain free and can allow you to reach your ideal size in as few as 12 sessions.

## Good vibrations

The treatment works using ultrasonic technology similar to that used in ultrasound scanning machines. The frequency of the sound wave targets fat cells, causing them to turn into a liquefied state. This liquid fat then drains away via the body's lymphatic system over the next 72 hours leaving treated areas with a flatter and firmer appearance.

The difference between The Rapid Inch Loss Clinic's Non-Surgical Ultrasonic Liposuction and surgical ultrasonic liposuction is we allow the body to naturally filter the liquid fat instead of making incisions in the patient and using a tool to suck the fat out which can cause pain, bruising and scars.

## 100% pain free

Our treatments are 100% pain free – in fact you will only feel a pleasant warming sensation as the ultrasound gets to work on your unwanted fat cells.
